## MEDICINAL.

When a Chafman becomes a criminal, the law punishes his parents and even the grand-children. This is only the extreme logical application of the doctrine of heredity. In this country, we have no law to deal with such cases, and many a mother is punished through the physical weakness and peculiarities of her offspring.

Women mainly err through ignorance. They enter the marriage state already diseased by irregularity of the periods. The delicate and sensitive organs, peculiarly feminine, are in no condition for the work which is consequent on the great change. Drains that are offensive and debilitating are set up, inflammation and disease with female trouble are added in time, and when the motherhood comes the strength of the body is inadequate, and the condition of mind unfit, for the responsibility. The natural result is a child that is unhealthy and unhappy.

Happy, healthy, healthy motherhood, healthy children, all follow the use of Dr. Porter's Favorite Prescription. It stops the drains, cures inflammation, restores the system, and puts the delicate female organs in a condition of perfect health.

Dr. Porter's Favorite Prescription, 609 Catharine Street, New York, N.Y. "Your medicines have done me good. I have four miscarriages, but since taking Dr. Porter's Golden Medical Discovery and Favorite Prescription, I have much better health. I have a fine, healthy baby. I have recommended your medicines to several of my friends and they have been benefited by them."

Women and valuable help in Dr. Porter's Common Sense Medical Adviser. Sent free on receipt of stamps to pay cost of mailing. Send 21 one-cent stamps for a book in paper binding, or 4 stamps for cloth binding. Address Dr. R. W. Porter, Buffalo, N. Y.

CLOSE POLLS TO NEGRO.

A dispatch from Charlotte, N.C., says there is not a shadow of doubt that at next Thursday's election the people of North Carolina will ratify the constitutional amendment passed by the last legislature and elect a democratic Legislature and full State ticket by 40,000 majority.

The amendment provides for the elimination of the ignorant negro voter without disfranchising the colored white man. This is accomplished by abolishing article 6 of the State constitution and inserting in its stead a provision that every voter shall be able to read and write any section of the constitution in the English language, except such as were voters prior to 1867, or descendants of such persons. This unlettered, voting whites must register prior to 1908. After that time all persons, black or white, desiring to register, will be required to stand the educational test.

This amendment, if ratified, is to take effect July 1, 1902. The reason for the passage of the amendment is found in the fact that the balance of power is centered in the 115,000 negro voters who, almost to a man, obey the white republican leaders.

Fusion was successful in North Carolina in 1896, and for two years the eastern section of the State was subjected to the odium of negro office-holders to such an extent that after the campaign of 1898 had been fought on the race question, a strongly democratic legislature was elected.

After long deliberation it was decided to attempt forever to prevent a recurrence of fusion rule by removing the negro from politics, and to this end the constitutional amendment, patterned after the Louisiana provision, was submitted to the voters. It is calculated that by this provision 75,000 negroes will be disfranchised.

The negroes have in some sections refrained from registering, probably 30,000 making no effort to qualify themselves. The republicans put many of their speakers in the western part of the State to work upon the fears of the uneducated white man, but their efforts along this line are practically without effect.

Rumors of an influx of a large campaign fund, to be used on the legislative ticket, on election day, are general, but the democrats regard the question as simply one of majority.

A few days ago the republican and populist State tickets were consolidated in a desperate effort to carry the Legislature, which will elect a successor to Marion Butler, populist, Dr. C. M. Thompson, populist nominee for Governor, issued an open letter announcing his retirement in favor of Adams, republican, but conceding that the election would fall to Aycock, democrat.

If the amendment shall succeed, as it is not declared unconstitutional by the Supreme Court of the United States, there is little doubt that Governor Daniel Russell, republican, will be the best of his party to hold the office of Governor in this State for many years.

For the past month at least 1000 speeches a day have been made in this State, and people are aroused to such a pitch that bloodshed is feared. In many cases the "Red Shirts" have declined to allow fusion campaigners to speak.

On account of threats by Senator Butler and his followers to prevent the election, by injunction or other methods, the Legislature will convene at Raleigh tomorrow, and adjourn from day to day till election day.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Ernest L. Allen, Claude M. Lennon, Warfield & Hall, Charles G. Lennon, W. F. Creighton & Co., and Richard Gibson.

An Epidemic of Diarrhoea.

Mr. A. Sanders, writing from Cocoa Grove, Fla., says there has been quite an epidemic of diarrhoea there. He had a severe attack and was cured by four doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says he also recommended it to others and they say it is the best medicine they ever used. For sale by all druggists.

It has been demonstrated by experience that consumption can be prevented by the early use of One Minute Cough Cure. This cures asthma, croup and all throat and lung troubles. Cures quickly.

One Minute Cough Cure is the only harmless remedy that produces immediate results. Try it.
